

# Beamo Mini LED

**Compact , Rugged and Magnetic LED Light**  
**JB01578-BWW**

**JOBY®**  
**Sell Sheet**

Compact yet rugged, the JOBY Beamo Mini LED light helps you capture even more astonishing videos and pictures when you're on the go. Beamo Mini delivers 1000 Lumens, which you can dim continuously or manually with five step buttons. The back of Beamo Mini is also magnetic so you can place it wherever you think you'll get a unique light angle or keep it stationary when you want to work hands free.
