

CINEPEER

CINEPEER CM15

15W FULL-COLOR POCKET LIGHT

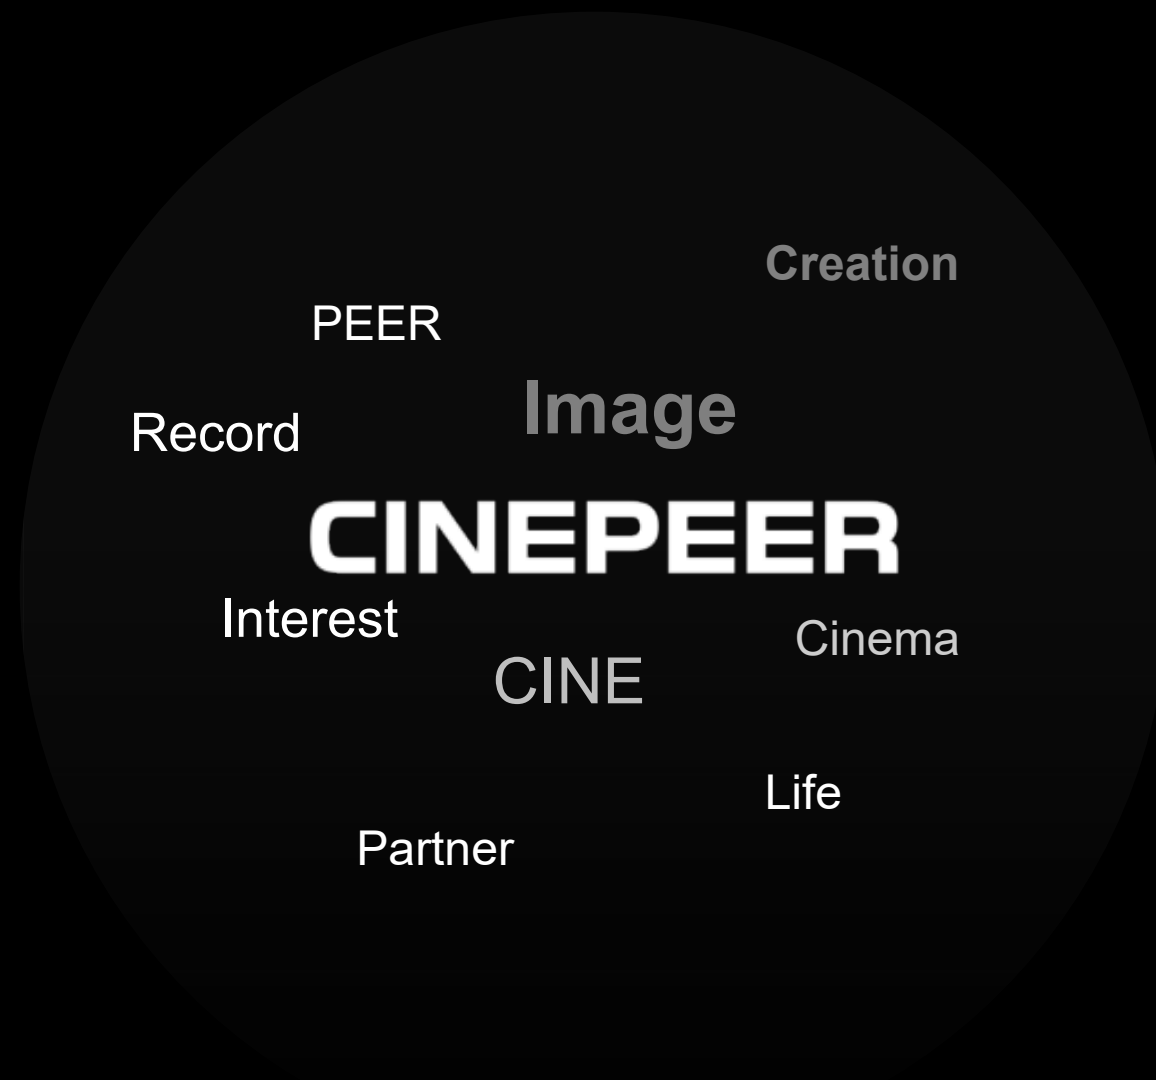

Designed by ZHIVUN

What is CINEPEER?

ZHIYUN follows the principle of "simple names for better products." The affordable CINEPEER series is named with meaningful implications. "CINE" stands for "cinema" and "PEER" means "partner," highlighting its role as your companion in video creation.

ZHIYUN's products emphasize branding and innovation, leading to advanced designs and excellent craftsmanship, but their prices are relatively high. The CINEPEER series, however, maintains ZHIYUN's core performance with excellent quality and exceptional affordability. It meets the needs of more users, allowing more enthusiasts to experience the joy of easy creation.

Future Vision Of CINEPEER

We aim for every creator to create effortlessly, transforming technology from a barrier into a bridge for creativity. Our goal is for users to find joy and satisfaction in the creative process. By maintaining high-quality standards, we strive to meet the growing demands for creative production, ensuring that every captured moment is engaging and fun.

15W Pocket-Sized Pocket Light

CM15

Weighing only 141g, it easily fits in your pocket. With a peak illuminance of 1280 Lux, it is three times brighter than traditional pocket lights and offers ± 10 levels of green and magenta adjustment for precise color control.

15W Full-Power RGB Light

CM15

CM15 delivers up to 15W of full-power RGB performance, approximately 200% higher than similar-sized products, offering both HSI and RGB modes.

Support Full Set of Light Modifiers

CM15

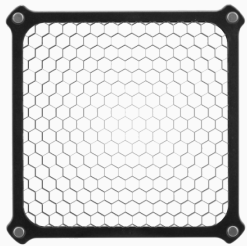

CM15 comes with a built-in softbox and a standard 1/4-inch screw hole at the bottom, allowing direct attachment to cameras or lightweight tripods. Optional magnetic expansion brackets are available for using light modifiers such as barn doors, grids, softboxes, and other professional lighting effects.
