# Clip On Your Comfort, Move On With Grip Fit

soundcore C30i  
Open-Ear Clip-On Earbuds

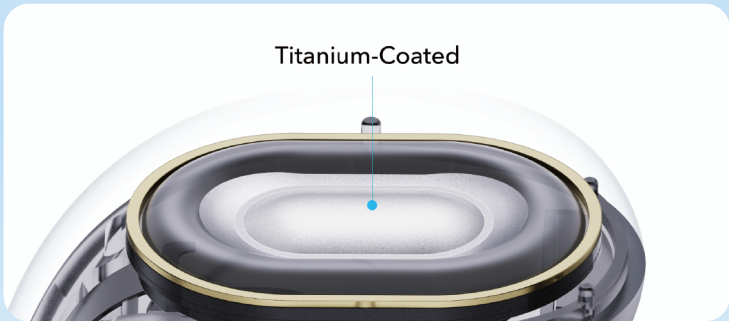

## Open-Ear Clip for Breathable Comfort

Enjoy unparalleled, non-intrusive comfort with our C30i open-ear earbuds, featuring superior breathability and a secure clip-on design.

## Innovative Attachable Ear Grips for Secure Fit

Crafted from non-deforming material, C30i earbuds retain their shape for a consistently secure fit, no matter how much you use them.

## Clear Audio

12mm×17mm racetrack drivers and a titanium-coated diaphragm ensure clear audio even in open-ear listening.

## IPX4 Water-Resistant

Built with an ultra-fine mesh and a protective nano-coating, C30i offers IPX4 water resistance. Hit the outdoors with clip-on earbuds born ready for anything.

## Together, Connected

Out with a friend or on a solo adventure, stay connected with the world around you with the open-ear design.
