Sport X20  
True-Wireless Sport Earbuds

1. Sport X20 has an IP68 waterproof rating which means they can withstand submersion in water at a maximum depth of 1.5 meters for up to 30 minutes. They are not designed for swimming, showering, or exposure to pool or ocean water. Do not use Sport X20 in a sauna or steam room. Waterproofing effectiveness may reduce over time. The charging case is not waterproof.
2. Battery playtime is tested in the soundcore laboratory with continuous audio playback at 50% volume. The actual playtime may vary by volume, audio source, environmental interference, usage, etc.
3. 100% is based on findings from the soundcore laboratory.

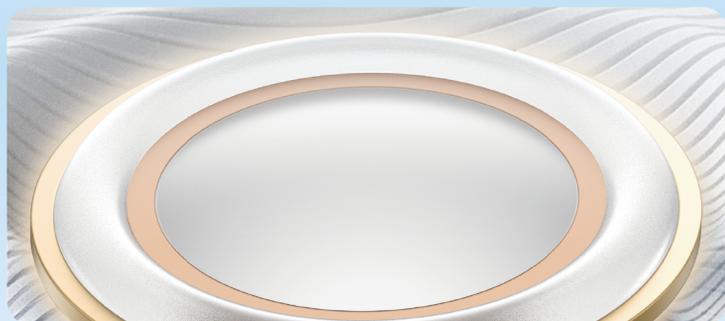

## Flexible, Comfortable, and Stable

Flexible ear hooks boast up to 30 degrees of rotation and 4mm extension. Adjust freely to find the perfect fit.

## Max Noise Cancelling, Min Distraction

Sport X20 offers strong, adaptive noise cancellation, customizable via an ANC algorithm or manual adjustments.

## Pumped-Up Bass, Pumped-Up Motivation

Experience the pulse-pounding thrill of soundcore's BassUp™ technology, fueled by powerful 11mm dynamic drivers.

## Fearless With Full Protection

Boasting a unique cavity design and SweatGuard™ technology, it creates a submarine-inspired seal that safeguards the earbuds against water, sweat, and dust.
