pro keys™ with Trackpad

Wireless Keyboard with Trackpad & Detachable Case

UP TO
3 MONTHS
BATTERY LIFE*

Bluetooth® Trackpad

Scroll, swipe and navigate faster than ever, compatible with iPadOS.

Backlit, Laptop-style Keys

Type quickly and easily with comfortably-spaced keys.

Durable Design

Get 2 metres of serious drop protection.

Holder for Apple Pencil or ZAGG Pro Stylus

Attach your Apple Pencil or ZAGG Pro Stylus magnetically in the holder and keep it close at-hand.

Key Selling Points

- Use the trackpad to scroll, navigate, and click, or turn it off to preserve the keyboard's battery life.
- A rigid core, rubberized edges, and corner bumpers all combine to provide 2 metres of drop protection.
- The lightweight keyboard and case detach to accommodate different uses and environments.
- Pair the Pro Keys keyboard with two devices at once and toggle between them.
- The magnetic stand attaches to the back of the case and holds your device at two convenient viewing angles.
- A magnetic flap holds the cover closed and protects the Apple Pencil or ZAGG Pro Stylus.

Compatible with the Apple iPad Pro 12.9-inch (3rd, 4th, & 5th gen.)

Additional Selling Points

- The laptop-style keys strike cleanly and precisely for fast and accurate touch typing.
- Forward-facing speakers direct sound towards you.
- The case accommodates the Apple Pencil or ZAGG Pro Stylus and allows it to attach magnetically to the iPad.
- Backlit keys, in seven different colours, make typing easy in low-light conditions.
- Type for up to 3 months before recharging the battery.* The sleep/wake function helps preserve battery life when keyboard is not in use.
- Keyboard automatically turns off when folded backwards against the tablet.
- Pro Keys has USB Type-C® charging, the latest, most convenient way to charge.
