

ProTactic LCS III

LCS 8x8 III

LCS 9x13 III

LCS 11x15 III

LCS 11x18 III

LCS 12x24 III

LCS 13x32 III

INTRODUCTION

Adapt to Every Moment

Designed for the working photographer shooting events and other jobs all day, largely outdoors. Dual-density foam provides a snug fit with a hard exterior for bumps and a soft interior for secure hold. The compression strap ensures your lens stays in place.

The SlipLock™ system allows attachment to any SlipLock™ compatible bags or belts, including ProTactic III backpacks, TLZs, and Utility Belt. Extra horizontal webbing provides stability on a regular belt. Bigger sizes include also a removable shoulder strap for additional carry options.

Made with up to 91% recycled fabric*, the case is durable and environmentally friendly. Features like bent and welded D-rings and YKK tough zippers ensure longevity and adaptability.
