

ProTactic TLZ III

TLZ 70 Slim III

TLZ 75 Slim III

TLZ 70 PRO III

TLZ 75 PRO III

INTRODUCTION

Adapt to Every Moment

The ProTactic TLZ 75 III is designed for photographers working outdoors all day. It fits a camera body with a portrait grip (PRO) or without (Slim) and a lens. The bag has an expansion section for a lens hood and a side-wrapping door for easy access. The quick-close buckle and interior divider allow for fast camera removal or a two-lens kit. It's compatible with SlipLock™ accessories like lens cases

Carry it as a shoulder bag, chest carry, or attach it to the ProTactic Utility Belt III or a regular belt. The stabilizer strap prevents swinging. Made with up to 88% recycled fabric*, the bag is durable and environmentally friendly. It features replaceable parts like the shoulder strap, ensuring longevity and adaptability.

FEATURES & BENEFITS

- Expansion section to accommodate a lens hood in shooting position
- Door wraps to the side for easier grip access
- Quick-close buckle allows for fast access
- Interior divider holds the camera near the top for easy removal or divides the bag for a two-lens kit
- Carry it as a standard shoulder bag, using the stabilizer strap to prevent swinging
- Chest carry for quick access and protection from rain and bumps
- Attached to the ProTactic Utility Belt III, the belts from the ProTactic BP III, or a regular pants belt for waist carry
- Durable bent and welded D-rings
- Shoulder straps with gated snap hooks for easy replacement

USPs

- Shoulder or chest carry with primary & secondary shoulder straps
- Compatible with SlipLock™ accessories like lens cases
- Belt tunnel for standard 38mm belt or any ProTactic III belt
- Stowable quick access buckle closure for access on the move
- Includes All Weather Cover™
