# Watch Pocket-Sized Laser Power

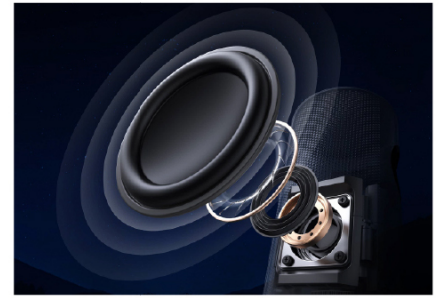

## Travel Light, Project Big

Capsule 3 Laser features Google TV and official Netflix in a lightweight 2.1 lb (950 g) design that's 55% smaller than similar projectors.

## Laser Engine to Illuminate Your World

Experience vibrant visuals with a laser light source that delivers 300 ANSI Lumens of brightness in 1080p HD, ensuring your images stay bright and clear.

## High-Fidelity DD+ Sound

An 8W Dolby Audio speaker creates an immersive audio experience, making every home viewing feel like a theater with rich, powerful sound.

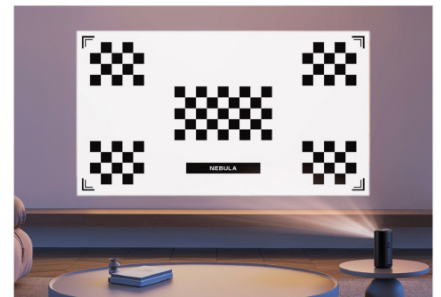

## 120-Inch Big Screen

Give your cinema the scale it deserves with a 120" max screen size to make explosions and chase scenes larger than life.

## One Charge, Five episodes

The 2.5-hour battery life is enough to binge-watch half a season of your favorite comedy series on just a single charge.

## Setup's Done in 3 Seconds

Auto-focuses and auto-keystones your image in just 3 seconds.
