Focused Light. Seamless Transition

ZHIYUN eliminates uneven light distribution and prevents light hotspots.

Vibrant Colors

The innovative Mini Lens Reflector integrates seven optical technologies to enhance color brightness by 3.6-5x.

Versatile Modifiers

Mini ZY mount is compatible with Bowens mount modifiers for professional lighting.

① ZHIYUN Softbox 40D ② ZHIYUN Spotlight Attachment ③ ZHIYUN Mini Lens Reflector

*Some optional modifiers are sold separately or available in corresponding kits.
