Form Leather is a premium, fixed-length full-grain leather camera strap designed for photographers who seek simplicity and style.

FEATURES

- Wearable as cross-body, neck, or shoulder strap
- Custom sealed finish on bottom of strap for optimal glide/grip. No visible seams or stitching for a sleek, integrated asethetic
- Premium full-grain bovine leather is soft, durable, and patinas gracefully over time. Straps are strong enough for vast majority of camera setups, optimized for carrying smaller kits
- Updated v5 Anchors are visually simplified for cleaner look
- Quick-connection system is fast and secure
- Aluminum accessory loop for on-body strap stowage or single-point camera carry of point-and-shoots

COMPATIBILITY

Attaches to any camera with 1 or more strap loops/eyelets. Optimal comfort and fit with smaller mirrorless/DSLR kits with short lenses.
