

CAMERA STRAPS - CUFF LEATHER

-  Black
-  Amber
-  Tan

Cuff Leather is a premium full-grain leather camera wrist strap that offers low-profile peace of mind for photographers who seek simplicity and style.

FEATURES

- Anodized aluminum slip-adjuster quickly cinches down in the event of an accidental drop
- Elegant, low-profile drop protection for any size camera. No visible seams or stitching for a sleek, integrated aesthetic
- Premium full-grain bovine leather is soft, durable, and patinas gracefully over time
- Updated v5 Anchors are visually simplified for cleaner look
- Quick-connection system is fast and secure
- Aluminum accessory loop for on-body strap stowage

MATERIALS

- Strap: Premium Ecco full-grain bovine leather, gold-rated by Leather Working Group (signifies adherence to the highest levels of environmental practices, encompassing water/energy consumption, chemical handling, air emissions, and hide traceability). Custom sealed finish on reverse side.
- Hardware: CNC-machined anodized recycled aluminum
- Anchor Housings: Glass-reinforced nylon with machined aluminum connection hardware
- Anchors: Glass-reinforced nylon with multi-layer thermoplastic cord

DIMENSIONS

- Min Length (slip-adjuster pushed up to Anchor housing):
- 22cm (8.6")
- Cinched Length (length from wrist to end of strap when cinched on wrist):
- 28cm (11")
 - (varies by +/- 5cm depending on wrist size)
- Strap Width:
- 1.65cm (0.65")
- Strap Thickness:
- 2.5mm (0.1")

COMPATIBILITY

Attaches to any camera with 1 or more strap loops/eyelets.

WEIGHT

- Weight (without Anchors):
- 19.8g (0.7oz)

CAPACITY

- Weight Capacity (all sizes):
- Each Anchor can withstand over 90kg (200lbs) of force
 - Overall strap rated at 45kg (100lbs) of force
