- Eclipse

Peak Design’s ultra-slim bifold wallet.

FEATURES

- Ultra-slim construction for total comfort when carried in your front or back pocket
- RFID-blocking shell protects IDs and cards from skimming
- Magnetic closure provides security with a crisp, premium feel (magnets are credit-card-safe)
- Advanced seam bonding techniques create a clean, minimalist aesthetic
- Fits all major global paper currencies (up to 16cm x 8.4cm)
- Lifetime guarantee

DIMENSIONS

Folded: 8.8cm x 8.9cm (3.46" x 3.50")
Open: 17cm x 8.9cm (6.69" x 3.50")

- Thickness (when Folded):
- Empty, Compressed: 0.8 cm (0.31")
 - Empty, Relaxed: 1 cm (0.39")
 - Full Capacity: 2 cm (0.79")

MATERIALS

- TerraShell™ Ultra 210D outer shell offers extreme tensile strength, weather resistance, scratch/rip resistance
- TerraShell™ Ultra 70D Stretch inner material offers extreme resilience to maintain elasticity over time
- Ultra high molecular weight polyethylene (UHMWPE) ripstop thread woven throughout
- PFAS-free coated fabric offers water repellency & a chemical-free alternative to DWR
- Embedded RFID protection layer

WEIGHT

30g (0.105 oz)

CAPACITY

- Up to 12 cards*
- Up to 15 unfolded cash bills**

*Capable of holding significantly more cards/cash when not fully loaded with other items.
**Business cards/paper loyalty cards don't fit in the card pockets (since they are longer than credit cards)
