

Oxford Stylus

Fun and Fully Functional Stylus with a Rubber Top Clicker for Our Most Fidgety Users, Both Students and Adults

Features and Specs

- **Long Lasting Battery and Indicator:** Do a full day’s work—8 hours—before you need to recharge. 3 LED lights provide you with how much % battery is left.
- **“Fidgety” Rubber Top Clicker:** Rubber top doubles as a capacitive and “fidgety” button that you can click. Please note – rubber top is NOT meant to be chewed like you did in 3rd grade!
- **On/Off Button:** On and off button on the side. Pencil will automatically turn off after 10 minutes of inactivity helping you preserve battery life.
- **Type C Charging:** Charge easily using the included USB - C cable. Your pencil will charge fully in about 20 minutes. USB-C port is NOT saliva or waterproof.
- **Tilt Recognition & Palm Rejection Technology:** Even if your hand touches the screen only the stylus will register on the screen. It also has tilt recognition so you can vary the width of your stroke.
- **Replaceable Tips:** Two extra tips are included.
- **Warranty and Testing:** Made with aluminum alloy for quality and ruggedness. 4ft drop protection. Since marketed to children under the age of 12, it will go through Children's Product Certificate.
- **2-Year Limited Warranty:** We warrant these products against defects in materials and workmanship under normal use for a period of two years, as applicable, from the date of retail purchase by the original end-user consumer.
