## FEATURES

- CITY SLING 2L**
- Compact, low-profile sling designed for essential-only carry
  - Floating internal divider adapts to what you carry without rigid structure
  - Adjustable strap with custom aluminum hardware for quick, precise fit
  - Low-profile side-release clip enables fast, one-handed removal
  - Rear magnetic pocket keeps phone and essentials accessible yet secure
  - Integrated cable pass-through allows on-the-go charging
  - Internal stretch pocket with key tether for small essentials
  - Center divider and internal pockets keep items organized and separated
  - Hidden AirTag® pocket for discreet tracker storage
  - Aluminum D-ring for charms or personalization
  - Proprietary Peak Design hardware throughout for durability and cohesion

- CITY TOTE 15L**
- BagLev™ hook system with stowable anodized aluminum hook keeps your bag off the ground
  - Lightweight, unstructured vertical tote profile for easy carry through transit and crowds
  - Quilted laptop sleeve fits up to a 14" laptop and is elevated to protect from ground impact
  - Dedicated tablet sleeve fits up to a 12" tablet
  - Organized interior layout prevents the classic bottomless tote problem
  - Magnetic exterior pocket for quick-access items like a phone or e-reader
  - Secure exterior zip pocket for valuables like a wallet or passport
  - Luggage pass-through for roller-top carry (inside exterior pocket)
  - Zippered side access provides quick reach to items at the bottom of the bag
  - Stretch zip water bottle pocket fits bottles up to 24oz
  - Hidden AirTag® pocket for discreet tracker storage
  - Hidden magnetic short grab handles enable briefcase-style carry
  - Comfortable shoulder straps with Clarino® wrap for grip and padding
  - Aluminum D-ring for charms or personalization
  - Minimalist construction with premium custom hardware throughout

## MATERIALS
