

Spartan

Beauty Dish (50cm and 70cm)

The perfect on-location light modifier, the Phottix Spartan Beauty Dish assembles easily using flexible rods, a huge benefit over the time-consuming setup of traditional octa softboxes.

The white interior produces softer, more even light. Included in the kit are a metal beauty dish "disk", baffle, front diffuser and fabric grid.

The Phottix Spartan comes in two popular sizes—50cm / 20 inches and 70cm / 28 inches – perfect for single subjects and couples. Use with the award-winning Phottix Indra series of studio lights or mount to the Phottix Cerberus Hot Shoe Flash Mount.
