

# Beamo™ Ring Light 12"

## The Go-To Ring Light for Mobile Content Creators JB01733-BWW

J OBY®  
**Sell Sheet**

The J OBY Beamo Ring Light 12" is the mobile content creator's dream. Designed to provide flattering coverage and a fun catch light in the eye when vlogging, the Beamo Ring Light 12" pairs perfectly with J OBY supports, phone mounts, and microphones to knock out some epic content. The ring light does not come with a tripod or phone clamp, allowing you to build the best, most personalized kits with your favorite J OBY accessories. Don't stop there: work-from-home professionals can level up their video calls and conferences with the push of a button.
