"Mandala" Yellow Notes 125x75mm,
block of 100 sheets / overwrapped

Target group

For people who use the well known and popular Yellow Notes i.e in the office, the perfect alternative is now available with a pre-printed Mandala theme.

Be creative and start coloring – for example during a phone call – for a better concentration, some diversification or just to pass some time. The Mandala pre-print covers 1/3 of the sticky note surface and can be easily overwritten because of the smooth print.

So it also can be used as an ordinary sticky note.

Channel

The product is available in a 100-sheet overwrapped pad, which is ideal for B2B, Retail and Chains.
