# Grafitos

Red&White Edition

## Target group

Especially for people who work in an office environment but also use writing utensils at home, our Grafitos Red&White edition is a welcome change to other pencils. It has a colorful yet classy design that brightens up a boring day at the office and gives every desk a special something.

## Channel

Available on blister for retail and chains as well as in hanging carton box for B2B catalogues and Cash&Carry.

## Product characteristics

Lead Diameter: 2,2mm

Intensive black color

Lead does not break easily

## Usage recommendation

Apply with medium pressure to paper in order to get best results

Sharpen before use to get a clean, precise line.

## Sales support material

writing display
