Art.No.: **75725**, Wood Glue 125ml

Xpress woodglue

Target group

For people who like wood-working and crafting in their free time our Kores Express Wood Glue is the ideal little helper. With its special "no run" viscous formula it is easy to apply the glue precisely where you want it. The dried glue can withstand occasional short term exposure to water or high humidity so the created works of art are preserved for a long time.

Channel

The product is available in a white box, which is ideal for B2B, Retail as well as Chains.

Logistical Information

75725	Wood Glue, 125 ml in bottle	EAN: 9023800757258
	8 bottles in white box	Box EAN: 19023800757255
	96 bottles in Export Carton	Export EAN: 29023800757252

Product characteristics

Usage recommendation

- Apply X-press Wood Glue to dry and clean surfaces (wood or other porous materials)
- Repositioning is possible for about five minutes.
- Pressing the parts together can improve the result.
- Recommended drying time: 10-15 minutes for initial strength, final strength after about 12 hours.
- Avoid contact with iron tools – might result in colour stains.
