## HIGH LINER<sup>+</sup> PLUS

- High quality markers with unique design
- Superior fluorescent colours
- Easy flow tip for smooth and comfortable marking
- Water based ink
- Available in 4 different colours each

For article numbers please see our price list!

## Target group

Our High Liners Plus are guaranteed to deliver best results – at the place of work, in schools, at universities or at home. Due to their easy flow tip you will have a smooth and comfortable marking experience which is exceptional, if not unprecedented. High Liner Plus also has more than 8 hours cap-off time, guaranteeing longevity. It is also UV resistant as well as inkjet safe. Furthermore, the smooth and modern design is a jewel on every desk and in every pencil case.

## Channel

Available in the following packaging solutions ideal for B2B as well as Retail and Chains:

12pcs. in display box (every colour, chisel tip), 4pcs. set in hanging carton box (chisel tip), 1 pc. on blister (yellow, pink, orange, green chisel tip)

## Product characteristics

- 8 hours cap off time
- UV resistant
- Fluorescent colours
- 4g ink for long writing length

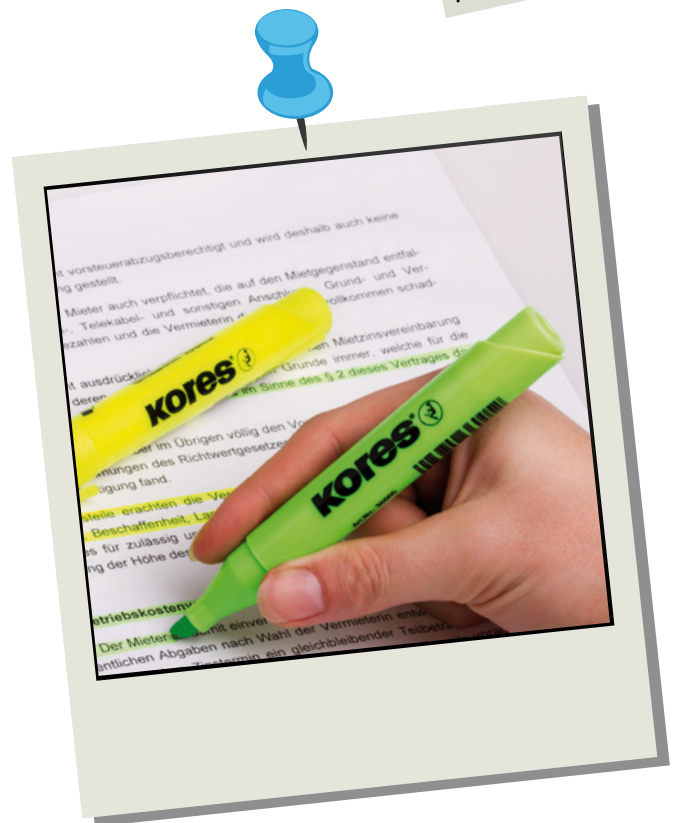

## Usage recommendation

Can be used on paper, copy, fax and ink jet print outs without smearing due to water based ink.

## Sales support material

Acrylic Writing Display
