

# Magic Carpet

A simple and durable slider for silky smooth professional tracking movements that's motion control ready.

The Magic Carpet slider has been designed and engineered with the filmmaker in mind. With quick release adjustable legs, a counter weight roller for vertical shots, and high precision ball bearing rollers. The Magic Carpet is ready for quick set up and silky-smooth tracking.

- Portable and lightweight
- Adjustable legs with fine adjustment feet
- Vertical shooting with counterweight wheels
- Made from durable aluminum
- Silky smooth ball bearing roller carriage
