

# Wavo™ Lav Mobile

**Lightweight mobile-friendly lavalier clip-on microphone for phones or cameras**  
**JB01716-BWW**

**JOBY®**  
**Sell Sheet**

Built for quick and easy on-the-go vlogging vocals, the JOBY Wavo Lav Mobile is an omnidirectional lavalier microphone for phones or cameras. It's simple to use, clip-on, and built to help capture awesome video content including vlogging, interviewing, live streaming, TikTokking, and video chatting. The Wavo Lav Mobile is stylish and minimal, yet has an impressive 5.9ft (1.8m) length for diverse applications. It also comes with three colorful fur windscreens for extra noise reduction and the ability to accessorize based on your mood and style!
