## Mobile-friendly Lavalier Clip-on Microphone for Smartphones

JB01716-BWW

### Overview

The JOBY Wavo Lav Mobile microphone is our most compact, simple, and portable audio solution to date. Compatible with both phones and cameras, the Wavo Lav Mobile comes with three colorful mini fur windscreens - black, red, and rainbow! that match your production with your creative sense of style and fun. The Wavo Lav Mobile is a must-have for mobile content creators as a primary microphone that can go anywhere and serves as an awesome backup to any on-board or shotgun microphone. Simple plug-and-play operation for your phone via the native TRRS cable (USB-C or lightning adapter may be required depending on phone model). or for your camera via the included TRRS to TRS adapter. Easy to clip to clothing and great for producing interviews, TikToks, Instagram Stories, and top-notch vlogging content without the distractions of background noise!

### Applications

- Lightweight compact clip-on lavalier design with 180cm length
- Plug-and-play mobile setup via TRRS (adapter may be required)
- Three colorful Windjammers add a splash of fun and style
- Great as a primary microphone in busy places
- Ready for phone and camera use right out of the box
