

Wavo

Portable & High-quality On-camera Vlogging Microphone

JB01675-BWW

JOBY®

Overview

Need to step things up from the internal audio on your camera or phone? The Wavo from JOBY is your next purchase! This powerful but lightweight microphone features a Hytrel® Double Point Duo-Lyre® designed by Rycote team to isolate unwanted vibrations. High quality capture with wide frequency response range delivers superior quality sound recording. Super-Cardioid polar pattern focuses on the vlogger's voice, isolating it from the crowd or background noise. The base allows for attachment via locking cold shoe mount or 1/4" 20 for added security. For purer sound clarity the supplied foam windshield helps to remove any unwanted ambient distractions. Supplied with both a cable for mobile phones (TRRS) and cameras (TRS) this is the Vlogger's choice for their first quality microphone.
