FIVERAY M40

40W Pocket Fill Light

ZHIYUN

Tiny But Professional

With a palm size and only 320g that fits well in pockets and looks chic on your desk, M40 is your perfect portable lighting solution.

MAX. 40W

ZHIYUN

Explore A Wide Spectrum

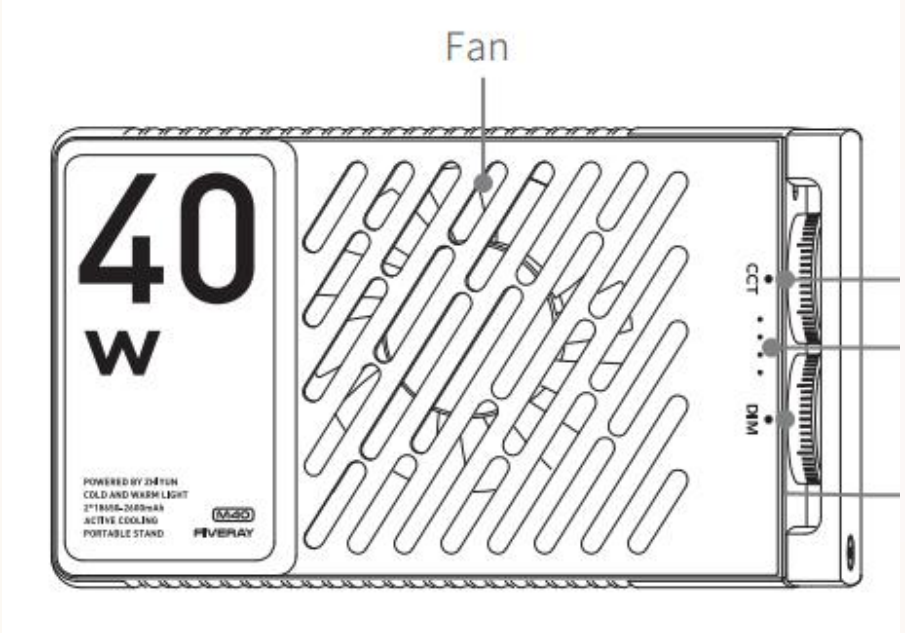
Adjustable dual color temperature ranging from **2700K - 6500k**. Consistent power output peaks at 40W with no strobes.

CRI reaches **95+**.

Dual Wheels
For Accurate Adjustment

Brighten up and bring colors to your shoot using the wheels for precise adjustment of color temperature and brightness.

Smart Temperature Control



Adaptive fan inside M40 will adjust the cooling power according to different temperatures for more effective cooling.

Fits in Different Scenarios

Work your lighting magic in different ways.

The adjustable stand of M40 offers lighting on different occasions.

1/4" screw hole allows the M40 to be mounted on a tripod, camera or light stand.

ZHIYUN
