**TransMount 3S**  
**EasySling Handle**  
User Guide

TransMount 3S EasySling Handle (hereinafter referred to as "handle") can be used both as underslung handle and extension rod.

 The following installation instruction is made based on assembly of CRANE 3S.

## TransMount 3S EasySling Handle as Underslung Handle

1. When mounting DSLR cameras and mirrorless cameras:

- ① Mount the handle to stabilizer and fasten it by pushing the toggle towards the lock symbol.

- ② When detaching the handle from the stabilizer, push the toggle towards the unlock symbol and then remove the handle.

2. When mounting cinema cameras:

- ① Mount the Sling Handle Adapter Base to stabilizer with M4 wrench provided.
- ② Install the handle to the adapter base.

- ③ Fasten the handle by pushing the toggle towards the lock symbol.

- ④ When detaching the handle from the stabilizer, push the toggle towards the unlock symbol, remove the handle from the stabilizer and then remove the adapter base with M4 wrench.

### TransMount 3S EasySling Handle as Extension Rod

1. Install the handle to the bottom of stabilizer grip and push the toggle towards the lock symbol. Mount the handle on the tripod and then unfold the tripod on a flat surface.

2. Please follow the steps above in reverse order when detaching the combo above.

**!** The gravity center of the stabilizer will rise when using the handle as extension rod so it is suggested that users hold the handle during use to prevent the stabilizer from falling down and damaging the camera.

## Disclaimer and Warning

Thank you for purchasing TransMount 3S EasySling Handle. The information contains herein affects your safety, legitimate rights and obligation. Please read this instruction carefully to ensure proper configuration before use. Failure to read and follow this instruction and warnings herein may result in serious injury to you or bystanders, or damage to your device or property. Guilin Zhishen Information Technology Co., Ltd reserves all rights for final explanation on this instruction and other documents related to CRANE 3S. The information is subject to update without notice. Please visit [www.zhiyun-tech.com](http://www.zhiyun-tech.com) to obtain the latest product information

By using this product, you hereby signify that you have read this document carefully and that you understand and agree to abide by the terms and conditions herein. You agree that you are solely responsible for your own conduct while using this product, and for any consequences thereof. You agree to use this product only for purposes that are proper and in accordance with all terms, precautions, practices, policies and guidelines ZHIYUN has made and may make available.

ZHIYUN accepts no liability for damage, injury or any legal responsibility incurred directly or indirectly from the use of this product. Users shall observe safe and lawful practices including, but not limited to, those set forth herein.

ZHIYUN™, TransMount™ is the trademark of Guilin Zhishen Information Technology Co., Ltd. (hereinafter referred to as "ZHIYUN" or "ZHIYUN TECH") and its affiliates. All product names or marks referred to herein are trademarks or registered trademarks of their respective holders.

### **Warranty Terms**

1. Customers are entitled to replacement or free repair service in case of quality defect(s) found in the product within 15 days upon receipt of the product.
2. Customers are entitled to free repair service from ZHIYUN for any product proven defective in material or workmanship that results in product failure during normal consumer usage and conditions within the valid warranty period, which is 12 months counting from the date of selling. However, warranty period varies by product component and country of purchase. Please contact our after-sales service team on ZHIYUN official website or your place of purchase for detailed warranty information.

**This warranty does not apply to the followings**

1. Products subjected to unauthorized repair, misuse, collision, neglect, mishandling, soaking, accident, and unauthorized alteration.
2. Products subjected to improper use or whose labels or security tags have been torn off or altered.
3. Products whose warranty has expired.
4. Products damaged due to force majeure, such as fire, flood, lightening, etc.

**Warranty Claim Procedure**

1. If failure or any problem occurs to your product after purchase, please contact a local agent for assistance, or you can always contact ZHIYUN's customer service through email at [service@zhiyun-tech.com](mailto:service@zhiyun-tech.com) or website at [www.zhiyun-tech.com](http://www.zhiyun-tech.com).
2. Your local agent or ZHIYUN's customer service will guide you through the whole service procedure regarding any product issue or problem you have encountered. ZHIYUN reserves the right to reexamine damaged or returned products.
