Article Number:

34016, Plastilina Pastel,  
10 pastel colours in displaybox

## Target group

Kores Plastilina plasticine meets the standards for the school supplies. It is intended for children to play and learn modeling in schools and kindergartens, as well as in art studios or at home.

It not only helps to develop fine motor skills and facilitate creativity, it is also easily moldable and ideal for learning and playing. 10 bright pastel colours including white and black are a great addition to the standard colours.

## Channel

The product is available in a display box, which is ideal for B2B, retail as well as chains.
