Set of 12 coloured pencils,  
1 graphite pencil and 1 sharpener  
in a twist & turn carton tube

## Target group

The Kolores Twist & Turn set is ideal for children and students who like to draw and colour at school or at home, as well as for anyone who enjoys being creative. The set includes coloured pencils in 12 shades, one graphite pencil of HB grade as well as one sharpener and fits every need of the colouring enthusiasts. The set comes in an interactive carton tube which is not only handy for carrying pencils, but also fun to hold and play with by turning its sections and matching printed images.

The coloured pencils have a great range of intensive and bright colours, so you can free your ideas and practice being crafty and creative. The extra smooth lead guarantees easy and relaxing past time fun, the carefully selected high-quality 100% FSC certified wood makes easy sharpening possible.

The HB grade graphite pencil has a smooth laydown without scratching the paper and is great for artistic sketching, technical drawing, exams and everyday writing tasks.

## Channel

The product is available in a carton tube, which is ideal for B2B, retail as well as chains.

## Product characteristics

- fully glued, break resistant lead
- non-toxic varnish
- Ergonomic triangular shape
- Coloured pencils from 100% FSC certified wood

## Usage recommendation

Use less pressure for soft colours, more pressure for bright colours.  
Keep pencils well sharpened for clear lines.
