Nomenclature

Initial setup

- Use the included mounting hardware to attach GOMount to the JOBY SeaPal
- Screw on using a flathead screwdriver until tightened

Using the SeaPal GOMount underwater

For best results please make sure you have carefully followed all initial setup instructions prior to taking your GOMount underwater.

Safety information

- Do not exceed depths of 10m/33ft.
- Never store your gear in direct sunlight or environments exceeding temperatures of 30°C/86°F.

Maintenance and repair

After each use and before detaching it from the SeaPal Waterproof Case, rinse it thoroughly in fresh water. Dry it before storing. Store in a dry, cool area.

Warranty info, limit of liability

Thank you for purchasing a JOBY product.

JOBY products are warranted to be fit for the purpose for which they have been designed, and to be free from defects in materials and workmanship.

This guarantee does not cover the product against subsequent damage or misuse. As JOBY SeaPal products are often used in extreme and volatile environments, we are unable to cover for loss or damage of equipment. Loss of income, reputation or other financial expenses, such as personal injury are also not covered by this warranty.

The period of validity of the Standard Limited Warranty is defined by the law in force in the country, state or region where the product is sold. Please retain your receipt as proof of purchase.
