

JOBY Compact Advanced Tripod

Clever & Robust Full Size Tripod for Content Creators

JB01763-BWW / JB01764-BWW

JOBY®
Sell Sheet

The JOBY Compact Advanced Tripod is the clever sibling in the JOBY Compact Family. With a genius 3-way head design, professional looking content is only a few twists away. And check out the QR plate, It's the same as the World Famous JOBY BallHead 3K which we use on the GorillaPod 3K Kit. That means swapping between your favourite GorillaPod and Full size tripod has never been easier.

The optional Kit is also supplied with a unique phone clamp, which features cold shoe mounts on both ends.

Solid 3kg weight capacity, you can add the latest hardware to this tripod kit and not have to worry about it at all.
